

Welcome to Blue Forests News

The **Blue Forests News** reaches out to share information with all those involved and/or interested in blue forests and blue carbon, and to provide updates on the [UNEP/ GEF Blue Forests Project](#) - a global initiative focused on harnessing the values of coastal and marine carbon and ecosystem services for improved ecosystem management and climate resilient communities.

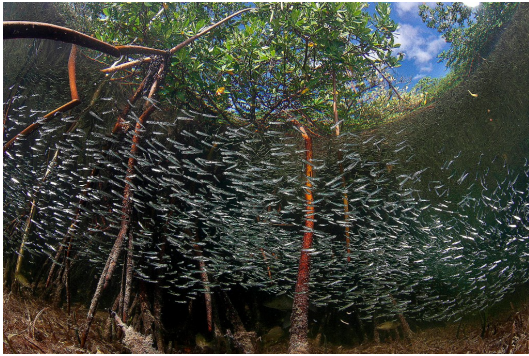

If you would like to receive an email notification when individual stories are published please scroll to the end of a story on our news blog, enter your email address and Click "SUBSCRIBE TO STORIES"

Blue Forests & Paris Agreement
